Fourth Committee Graduation

Student 's name:

Course: A / U / L

Date :

Advise:

- the student is well prepared for the final completion of the graduation project
- The student is not yet sufficiently prepared for the final completion of the graduation project

If it appears on the evening of the fourth commission that the student has not reached the level of a fourth commission, the mentor and the student are invited to draw up a new schedule within two weeks after the meeting. The schedule shows when the student is ready for graduation (new Comm 4 / Final examination date) and indicates how the student will set up the time and work for the new final examination date.
